The appendices are attached. Recognizing the technical nature of these appendices (the relevant binding obligations are in the agreement itself) this funder did not require that the appendices be signed, which makes more sense to us, and is easier. So we just need a signature on the agreement.

Josh will be working with the investor on the side letter.

I have the Ecuador Judgment Investment Agreement for the investment of \$200,000 that you forwarded yesterday.

I do not have the appendices. Kindly forward them.

I will also need a letter from the funder confirming that there is no requirement that Lenczner Slaght LLP continue with the recognition and enforcement action in Canada once monies for legal fees and disbursements are exhausted.
